Detailed Information

Legal Framework

Protection services are provided under **Law No. 5188 on Private Protection Services**. VIP and close protection services are delivered according to the client's request and needs, subject to approval by Atlas Girişimcilik authorities, and applicable regulations.

Mandatory Pre-Meeting

Face-to-face meetings to assess individual requirements are essential before any protection service is provided. Atlas Girişimcilik is not liable for misrepresentation, misleading information or fraudulent events.

Security Screening

Personal identification and, where applicable, company tax registration documents may be required for pre-project security screening. No service will be provided until the required information is supplied.

Threat Situation

The security of VIP individuals under past or current threat is the responsibility of police and law enforcement authorities. Atlas Girişimcilik will not provide services in any situation where life safety is under threat.

Program Changes

Locations and events outside the pre-agreed program are evaluated by Atlas Girişimcilik before being added to the schedule. The protection team reserves the right to decline participation in suspicious circumstances.
